Quality Tools *Make Permanent Trade*

WILT tools make good with the men who use them. Mechanics search for the best—find, buy, and boost WILT tools. The more skilful mechanic demands WILT products. Why? Because he knows that WILT tools cut faster, more accurately, require less power and less regrinding, give longer service, and cost no more than ordinary tools.

Competition and the increased production everywhere make Quality Tools essential. If you can't supply WILT your customer won't complain—to you—they'll simply slide over to the hardware store where WILT TOOLS are sold.
